

THIS IS BREATHTAKING

A photograph of a dirt path winding through a forest during autumn. The trees are covered in vibrant orange, red, and yellow leaves. A chain-link fence runs along the left side of the path. The path is covered in fallen leaves and leads into the distance.

FOR PEOPLE WITH ALLERGIES OR ASTHMA,
the fall season brings more nasal and chest
congestion that makes it difficult to breathe

**Don't let allergies or asthma
take your breath away.**
